**IMPORTANT NOTICE**

**NO ALTERATIONS OR ADDITIONS TO ANY UNIT OR COMMON OR LIMITED COMMON ELEMENT MAY BE MADE UNLESS AN APPLICATION FOR APPROVAL OF MODIFICATIONS IS FIRST SUBMITTED BY THE OWNER AND APPROVED IN WRITING BY THE BOARD OF DIRECTORS. DEPENDING UPON THE PROPOSED MODIFICATIONS, THE BOARD OF DIRECTORS MAY CONDITION ITS APPROVAL ON THE OWNER'S SATISFACTION OF ADDITIONAL REQUIREMENTS.**

This application may be submitted to the Board of Directors through the General Manager by delivering the original application to the General Manager at the on-site office.

Failure to obtain prior written Board approval (and owner approval, where applicable) and/or to comply with any terms or conditions established by the Board, or required under the governing documents and/or Condominium Property Act: (1) may result in the owner having to remove the unapproved modifications and to restore the unit or the common or limited common elements to their original condition at the owner's expense, and/or (2) may result in the matter being referred to the Association's attorney for enforcement, in which case the owner will be responsible for attorneys' fees and costs incurred by the Association in connection with the matter.

The cooperation of owners in complying with the Association's design review policies and requirements will help to prevent modifications that may jeopardize the soundness and safety of the project, reduce the value of units, detract from the appearance of the project, or interfere with the use or enjoyment of any part of project.
